Please give us 24 hours notice if you require us to walk your dog.  
This allows us to utilize our time and resources efficiently.

### DOG WALKING CANCELLATION POLICY

It is with reluctance and regret that we have to introduce a Cancellation Policy. Since so many of our customers rely on us to provide advance, verified reservations before they finalize their own plans, we must ensure that every reservation we accept is genuine and highly likely to occur. It would be unfortunate to turn away business because of a lack of available Dog Walkers, and then find that we could have accommodated this dog all along, because of late cancellations. This responsibility to our customers drives our Cancellation policy.

**If you cancel your reservation at least 24 hours before** your reserved dog walk date/time, there will be no charge.

**If you cancel your reservation within the 24 hour period** from the date of your reserved dog walk, you may be charged for the walk as a Cancellation fee.

Please note that in extreme weather conditions we have the right to cancel the walk. This might include ice and snow making driving dangerous or impossible, strong winds, storms, torrential rain or heat waves!!
